

# PROVIDER SUCCESS SYMPOSIUM

## CHANGE IS HERE - CRITICAL ISSUES FOR PROVIDER SUCCESS

December 4, 2018  
Pinehurst, NC  
1:30 - 4:00 p.m.

- Understand what being a value-based provider as defined by private managed healthcare payors means
- Review the infrastructure must have's for data collection, reporting and analysis to meet quality indicators that will be dictated by multiple Managed Care Organizations
- Understand the importance of an Alternative Payment Continuum, including the ability to track costs in order to mitigate your financial risk
- Discuss the importance of EHR connectivity to NC's Health Information Exchange (HIE) as required by DHHS for Medicaid reimbursement and how to use data once it is flowing
- Understand Whole Person Care and how you can adapt your services to meet these new demands

Registration Fee - \$125
