#StrongSchoolsNC

School Mental Health Initiative: Special Webinar Opportunity

March 15 • 10:00 am to Noon • Virtually
<https://us02web.zoom.us/j/86060439433invitation>

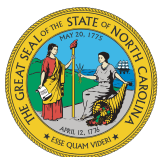

Learn how North Carolina's System of Care is a resource and strategy to support children and families with emerging mental health needs. Strengthen your school and community's collaborative efforts in prevention and early intervention to maximize children's learning.

Spanish translation and closed captioning will be available.

TARGET AUDIENCE:

- school district administrators
- local school leadership
- school resource personnel
- teachers
- mental health professionals
- youth
- families
