DELIVERING ON INTEGRATION OPTIMIZING CONNECTIONS

WHY YOU SHOULD ATTEND

Over the past few years, the pace of system change has been rapid, from service management and delivery of behavioral, intellectual/developmental disabilities (I/DD) and substance use disorder (SUD) services to advancements in technology and meeting new workforce challenges. These transformations underscore the need to advance community, individual and professional pathways to **Deliver on Integration** through **Optimizing Connections**. Whole person care hinges on connections across all aspects of treatment, most importantly for individuals with multiple health and service support needs. Effective communication between primary and behavioral healthcare professionals, as well as among care managers, community organizations, plan managers, providers, hospitals, local agencies, peer professionals, educators, and of course with service recipients, is foundational to integrated care.

This year the i2i Conference is focused on **broadening and strengthening** these partnerships by demonstrating innovative ways to provide care, describing new value-added community relationships, and highlighting technology that can assist. The conference will also offer insightful updates from state leaders on Medicaid Standard and Tailored Plans, as well as on Medicaid expansion. Distinguished experts from the national health and human service industry will provide updates on federal policies and priorities and offer news on important market, technology, and management trends. Overall, this conference will deliver the tools and supports needed for North Carolina's plan to advance integrated, whole person care.

WHO SHOULD ATTEND?

Anyone in the NC Medicaid system that is managing, experiencing or providing care to the BH/IDD population who wants to better understand the new structures, partnerships and program collaborations needed to move services toward an integrated whole person care approach. This includes: Managed Care Organization leadership, Provider Organization leaders; Healthcare Professionals and Administrators, State and Private Hospital leaders, Qualified Professionals, State Agency leaders, DHHS leaders, State and Local DSS, Psychologists, Psychiatrists, Counselors, LCSW, Social Workers, CFAC members, Consumers, Family Members, Advocates, Peer Support staff, County Commissioners, members of the General Assembly, and others interested in our system.

MORE NETWORKING!

This conference will offer the easy to use conference program Whova. This mobile APP and web platform provides attendees an enhanced networking experience with many opportunities to **connect, share and access information** through:

- **Direct Messaging** before, during and after the Conference, create and host Virtual or In-Person Meet Ups
- **Start Discussions** on Topics of Interest
- **Connect** with Exhibitors, Attendees and Speakers
- **Access** to All Session Materials, Agenda and Power Points
- **Extend Session Q&A with Speakers** – forgot to ask a question, post your question after session ends!
- **Share & Post** – Job Openings, Upcoming Events, Articles, Links and Photos
- **3 Month Access** – forgot to download a power point, want to watch a virtual session? No problem, you have up to 3 months to access the platform! You can continue to **Message** Participants, **Post** Information, **Review** Session Materials, **Watch** Virtual Sessions and **Talk** to Speakers and Exhibitors

TrilliumHealthResources.org

Trillium Health Resources is a local management entity that manages severe mental health, substance use, intellectual/developmental disability, and traumatic brain injury services in eastern North Carolina. We look forward to adding physical services for those placed on the **Trillium Tailored Plan** when it launches.

HOTEL RESERVATIONS

SPECIAL HOTEL RATES

Special conference rates are available at **The Marriott Winston-Salem** and the **Embassy Suites by Hilton**, both are located just across the street from the **Benton Convention Center** and each have **direct access to the Benton**.

MARRIOTT WINSTON SALEM

425 North Cherry Street Winston-Salem, NC 27101

CONFERENCE RATE.....\$129/night

The rate above is good 3 days before and after the event.

24-hour business center and health club, complimentary wireless Internet access and concierge services, as well as gift shops/newsstands. **Onsite restaurant:**

American cuisine offered at Butcher and Bull restaurant which features a bar/lounge. Breakfast can also be purchased. Room services offered during limited hours.

During the busy times of participant arrival, the Marriott will have bellman/valets to assist or you can utilize the luggage cart.

[CLICK HERE TO MAKE YOUR RESERVATION](#)

OR CALL 1-800-320-0934

Please be sure to let them know you are with the i2i Center conference. The room block is good until **November 15, 2023, or until the room block sell out.** We encourage you to make reservations as soon as possible.

DIRECT ACCESS TO BENTON CONVENTION CENTER FROM HOTELS

You do not have to brave the elements to get from The Marriott or Embassy Suites to the Benton Convention Center. The Marriott has a skywalk that takes you to the lower level (exhibits and breakfast level) of the Benton Convention Center. There is an underground tunnel from Embassy Suites to the Benton that connects to the lower level of the Benton. There is also a skywalk that connects the Marriott and the Embassy Suites together.

EMBASSY SUITES BY HILTON

60 N Cherry St, Winston-Salem, NC 27101

CONFERENCE RATE.....\$139/night

The rate above is good 3 days before and after the event.

Continental breakfast, indoor pool and a 24-hour fitness center. Additional amenities at this hotel include complimentary wireless Internet access, gift shops/newsstands, and a hair salon. Onsite restaurant: Grille

Restaurant and Bar features a bar/lounge. The Embassy Suites also offers a complimentary daily reception and a complimentary continental breakfast included in the rate. Room services offered during limited hours. The Embassy Suites does not have bellman, **but offer carts to assist with your luggage.**

[CLICK HERE TO MAKE YOUR RESERVATION](#)

OR CALL 1-800-445-8667

Please be sure to let them know you are with the i2i Center conference. The room block is good until **November 4, 2023, or until the room block sell out.** We encourage you to make reservations as soon as possible.

HOTEL AND CONFERENCE PARKING

Whether staying overnight or coming in for the day, **please use the parking deck at 6th and Cherry Street** directly across the street from the Benton Center, **see map**. **This deck has 3rd floor skywalk connected to the main floor of the Benton Convention Center**. The skywalk is disability accessible. Parking rates are as follows:

EXHIBITING, NETWORKING & RESOURCES

With a very **successful 20+ year history**, this conference has become a tradition for over 900 stakeholders in North Carolina. We are known for our **exceptional trainings**, **networking opportunities**, and **bringing together diverse groups** representing all levels of the system - professionals, those with lived experience, advocates, state leaders and others to learn, share and connect!

VIRTUAL ATTENDANCE

This year, we are offering a Virtual Attendance option. There are 6 virtual session topics (pre-recorded) covering a wide array of issues geared toward our traditional attendee, and those working in integrated care settings on the healthcare side that want to learn more about behavioral health, SUD and I/DD issues impacting our shared clients. All the Virtual Session content can be found on the [Whova Agenda](#) - go to Agenda, then view virtual topics on Thursday, December 7th at 10:00 a.m..

VIRTUAL ATTENDEES WILL ENJOY THESE GREAT BENEFITS

- **Sessions** on Timely Topics Lead by **Experts and State Leaders**.
- **Extended Access** - 3 Months to use Conference APP!
- **Ask Questions** of both **Virtual & Live In-Person Presenters** via the platform.
- Retrieve **All Handouts** from Live & Virtual Sessions, General Sessions, and Keynote presentations.
- **Connect with 100+ Exhibitors** - Industry Experts Providing Valuable Information and Resources.
- **Network** with fellow attendees - Virtual and In-Person
- **Leverage** the **Community Board** to share job openings, post information on upcoming conferences and events, participate in & start new discussions, post photos and much more.

SERVICES & INFORMATION

With an impressive group of over **120 Exhibitors** expected to participate in the Conference, you will gain access to a diverse array of companies ready to **support** your organization, **strengthen** your management team and **assist your leadership** with on-going system challenges. This remarkable event offers a gateway to the latest advancements in technology, clinical services, direct care, AI support, assistive technology devices, consulting, data management, financial services, insurance, pharmacy, inpatient care and much more. Dedicated professionals will be available to engage with you throughout the day Thursday and Friday. To streamline your experience and facilitate meaningful connections, all participating exhibitors will be live on the Whova APP.

LUNCH & LEARN MEETINGS

Get a deeper look at resources designed to empower your success in our rapidly changing landscape. During lunch, you'll have the opportunity to attend a 30-minute session dedicated to services, technological innovation, or resources geared toward equipping you for the on-going shift in Medicaid's integrated care transformation. **Host a Lunch & Learn in person and/or virtually, contact jean@i2icenter.org.**

PRE-CON SYMPOSIUM

Medicaid and Integrated Care: A Closer Look at Waivers, Transitions and Expansion

In this comprehensive, day-long symposium, participants will gain access to the most recent developments in system transformation and the progress toward integrated, whole person care. This includes updates regarding the NC's Innovations and Tailored Plan waivers, offering insights into their timing, transition processes, and data management.

The day will begin with an update on Medicaid Transformation from the Deputy Secretary of Medicaid, Jay Ludlam. Two pivotal components of Medicaid Transformation, the Healthy Opportunities pilot and Tailored Care Management, will be a focus of discussion in the symposium. Attendees will have the opportunity to delve into the progress made over the past year in establishing Tailored Care Management providers and services. Furthermore, the symposium will provide an in-depth review of the advancements made by the NC Health Opportunities pilot program, focusing on its efforts to address Tailored Plan member non-medical needs related to housing, food, transportation, and personal safety. Participants will also hear the latest information on Medicaid Expansion and the Public Health Emergency Unwinding. Finally, a look at the recent budget provisions around LME/MCO catchment areas and details about the evaluation and plans for LME/MCO consolidations will be discussed.

OBJECTIVES:

- Describe the most recent developments in Medicaid Transformation and Integrated Care.
- Review I/DD Innovations Waiver implementation progress, latest changes to 1915(i) services, data and the unified waiting list.
- Identify the progress made in the implementation of Tailored Care Management
- Review the impact of Medicaid Continuous Coverage Unwinding and Medicaid Expansion on the overall system.
- Discuss the Healthy Opportunities Pilot
- Review the evaluation of LME/MCO catchment areas and next steps.

COMPETITIVE INTEGRATED EMPLOYMENT SUMMIT

NCCDD
North Carolina Council on
Developmental Disabilities

VALUING ALL PERSPECTIVES

Everyone wants to have choice and options in their employment. Competitive Integrated Employment (CIE) is a term used to describe efforts to ensure that all individuals with disabilities have opportunities to not only work, but also work in the most integrated environment at a competitive wage. To get to this point, our state, through the NC Department of Health and Human Services, is working to determine how this can be accomplished in North Carolina. This summit provides a forum for all perspectives. A challenge is how we build upon current systems while moving to innovation and ways to support the spectrum of individuals with disabilities. The focus of the discussion will be on how perspectives can be valued as our state makes this transition.

This Summit is funded through a grant by the North Carolina Council on Developmental Disabilities

GOALS FOR THE SUMMIT:

- Learn about New Funding and Initiatives for Competitive Integrated Employment North Carolina.
- Determine ways to include all perspectives as the state increases Competitive Integrated Employment opportunities.
- Find common ground.
- Hear updated information as well as a national perspective.

SUBJECT MATTER EXPERTS:

Subject Matter Experts from NC Department of Health and Human Services and Disability Rights North Carolina have been invited.

The Summit will be moderated by i2i Center for Integrative Health facilitators:

Ann Rodriguez, MHA, Executive Director
Mary Hooper, ACSW, Senior Consultant

SPEAKERS

CATHY FIKER TERRILL

Past President of the American Association on Intellectual and Developmental Disabilities (AAIDD), CQL| The Council on Quality Leadership as well as a former chair at the Human Services Research Institute (HSRI).

BETSY MACMICHAEL

Executive Director,
First in Families of
North Carolina.

TARGET AUDIENCE

**SERVICE USERS, FAMILIES, CARE GIVERS, PROVIDERS
AND PAYERS.**

**SUMMIT INCLUDES LUNCH @ 12:30, PLUS PARTICIPATION IN THE

Artificial Intelligence: Harnessing its Power to Improve Care

Artificial Intelligence (AI) is all around us and what we are hearing can sometimes be concerning, but knowledge is power. Whether we realize it or not, all of us have used AI in one form or another. The rapid rise of ChatGPT has sparked new debate around the role of AI in our society. But what about the role of AI in human services such as behavioral health, substance use disorder and intellectual and developmental disabilities? Does AI have a role to play here? Should it? In this keynote, **Dr. Dennis Morrison** will discuss the growing role of AI in society, in healthcare and in human services and why if used correctly, the use of AI can lead to better care delivery and a better work life for providers.

OBJECTIVES:

- Discuss the difference between Artificial Intelligence and Augmented Intelligence and why the latter is the preferred term in health care.
- Describe the types of AI services being used in the human services sector today.
- Identify the extent to which AI will have an impact on health care in general and human services in particular.
- Review one short term risk of AI for all users and how to guard against it.

SPEAKER:

DENNIS MORRISON

Ph.D., Owner, Morrison Consulting

For seventeen years, he served as the CEO of two award winning companies and six years as the first Chief Clinical Officer of the largest provider of Electronic Health Records (EHR) and related services

to the behavioral health and social services sector. Morrison is a prolific author, frequent presenter (including a [TEDx talk](#)), podcast host and co-inventor on a patent for a behavioral healthcare outcomes software product. He also serves on a number of academic, non-profit and international boards.

His professional background also includes serving in the United States Navy as an Aerospace Physiologist training, among others, **members of TOPGUN** in the physiological hazards of flight and land and water survival. He is a licensed, instrument-rated private pilot and when he turned 70 years old he became a triathlete.

GENERAL SESSION

3:00 P.M. – 4:00 P.M.

Delivering on the Vision: Strengthening Whole Person Care with Medicaid Expansion

Secretary Kinsley will give an update on the department's priorities and the changes as a result of the passage of Medicaid Expansion in North Carolina. This includes a deeper look at the proposed funding to bolster our mental health system by making mental health services more available when and where people need them; building strong systems to support people in crisis and people with complex behavioral needs; and enabling better health access and outcomes with data and technology.

OBJECTIVES:

- Identify Departmental priorities for those receiving Medicaid.
- Review the changes occurring as a result of Medicaid Expansion beginning December 1st.
- Discuss the proposed funding allotted to rebuild our mental health system.

SPEAKER:
SECRETARY KODY KINSLEY
NC Department of Health,
and Human Services.

FRIDAY, DECEMBER 8, 2023

GENERAL SESSION

11:00 A.M. – 12:00 P.M.

Medicaid Trends and Challenges: The Power of Connection

Medicaid is facing several challenges in North Carolina and across the country, NC is grappling with unwinding Medicaid for those that became eligible during the pandemic, while also anticipating the expansion of care to almost 600,000 North Carolinians starting December 1st. In addition, preparation for the Tailored Plans is also underway to address integrated care for those with higher levels of MH/IDD/SUD and physical health needs.

The Closing Plenary will feature **Meg Murray**, a national Medicaid expert and CEO of the Association for Community Affiliated Plans, a trade association representing not for profit safety net Medicaid plans that cover 25 million lives. Meg Murray will delve into the transformative potential of partnerships between safety net health plans and community-based organizations in enhancing quality, access, and equity within healthcare systems. Meg will explore current trends within the Medicaid program, with a specific focus on the expansion of Medicaid managed care. During her presentation, she will examine the reasons behind states' decisions to embrace managed care and how Safety Net Health plans have contributed to addressing challenges related to Medicaid continuous eligibility unwinding and while also addressing social determinants of health.

OBJECTIVES:

- Review the importance of partnerships between community-based organizations and health plans in meeting quality, access and equity in care.
- Discuss national trends affecting Medicaid services.
- Review state decisions to expand Medicaid managed care.
- Identify how public safety net plans have been part of the Medicaid unwinding challenges post pandemic.
- Review how Medicaid is addressing social determinants of health around the county.

GHA Autism Supports provides quality, community services to meet the unique needs of individuals with Autism Spectrum Disorder.

New Strategies to Strengthen NC's Public Safety Net

The NC DHHS Division of Mental Health, Developmental Disabilities, and Substance Use Services is an essential part of the public safety net for individuals with mental health conditions, substance use disorders, intellectual and/or developmental disabilities, and/or traumatic brain injuries. **Division Director Kelly Crosbie** will discuss developments in funding and policy for key service areas, including Crisis Services, Services for Justice-Involved Individuals, Child Behavioral Health services, IDD/TBI services, as well as workforce needs specific to these populations. These developments will be presented within the context of the department's three priorities: behavioral health and resilience, child and family wellbeing, and a strong and inclusive workforce. This plenary address will discuss how the Division of MH/DD/SUS is building these priorities into the State Plan for Mental Health, Developmental Disabilities, and Substance Use Services during this moment of historic opportunity and need.

OBJECTIVES:

- Discuss the vision for the MH/DD/SUD/IDD/TBI public safety net system.
- Describe the impact of the state budget on MH/DD/SUD/IDD/TBI public services.
- Discuss opportunities to strengthen services in key areas, including the crisis, justice, child behavioral health, and IDD/TBI systems and workforce.
